WONDERFUL THINGS ART

... a digital studio dedicated to creating highly accurate reproductions of ancient Egyptian artwork with a contemporary feel.

Every piece is hand-drawn by UK-based archaeologist, Natalie Watson, following meticulous research into the history and symbolism of the original artwork.

Over 100 masterpieces of ancient artwork are available as fine art prints in a variety of sizes and formats, as well as greeting cards, postcards and posters.

TUTANKHAMUN AND ANKHESENAMUN IN A FLORAL PAVILION

One of the masterpieces of ancient Egyptian art and workmanship, the golden throne of Tutankhamun features an evocative image of the young king with his wife, Ankhesenamun, in a floral pavilion. Picked out in a variety of precious metals and gemstones is Tutankhamun, reclining on a throne as Ankhesenamun rubs perfume into his shoulders from the bowl she is carrying.

Right: Reproduction of the backrest of the golden throne of Tutankhamun dated to c. 1336-1327 BC, now in the Egyptian Museum, Cairo (Art Ref: DP51).

COMMISSIONS

As a heritage collections specialist and archaeologist, I offer a research, digitisation and illustration service to create one-off commissions and bespoke content for merchandise, display or publication, including:

- Reproductions of objects, documents, sites and archaeological material
- Reconstructions of damaged artwork to give a better idea of the original appearance
- Fictional illustrations in the ancient Egyptian art style
- Bespoke historical information and detailed research on the art
- Digitisation, photography and cataloguing of historic material

I offer discounts for charities, education groups and academic institutions.

Right: Reproduction of a Naqada II period pottery jar dating to c. 3450 to 3330 BC, now in the Metropolitan Museum of Art collection (Art Ref: DP21)

GICLÉE PRINTS

PRINTS THAT WILL LAST

WTA giclée prints are created using archival quality Fine Art Trade Guild approved printers, inks, and papers, guaranteed to provide vibrant colours, outstanding contrast and pin-sharp reproductions that will last. The 100% cotton smooth matte paper is both acid-free and OBA-free, meaning it won't fade or discolour over time.

MUSEUM-QUALITY PAPER

Paper: Canson® Rag Photographique

Weight: 310gsm

Surface feel: Smooth

Surface finish: Matte

Composition: 100% cotton

OBA content: None

Thickness: 0.46mm

Image border: 30 mm

ECO-FRIENDLY PACKAGING

Each WTA print comes with a bespoke window mount and is enclosed in a compostable wrap made from corn and potato starch that naturally biodegrades. The sleeves have a shelf life of over 12 months if kept in cool and dry conditions.

SUPPLIERS THAT CARE

WTA prints are created by dStudio, a Carbon Neutral fine art printing company based in Little Clacton, Essex. They annually calculate and offset their carbon emissions to Gold Standard funds around the world which help developing countries with renewable energy projects, protect areas from deforestation and support health and education projects.

PRODUCT GUIDE

GREETING CARDS

All WTA artwork is available as a greeting card, offering an affordable alternative to our giclée prints.

These are printed on 100% recycled matt FSC® certified paper and come in two sizes, A5 and 150mm square.

All our cards come pre-creased and include cello bags and high-quality white envelopes.

The inside is blank.

The back cover features a description of the artwork and a photo of the original object the reproduction is based upon.

SIZES

G01 - Square (150 x 150 mm)

G02 - A5 (148 x 210mm)
